Keep your smile healthy with dental benefits from Delta Dental

Delta Dental of Ohio and the University of Toledo are pleased to partner to bring you an affordable, quality dental plan. Delta Dental is America's largest, most experienced dental carrier and our Delta Dental PPO™ network is one of the largest in the nation. As a student enrolled at the University of Toledo, you are eligible to participate in this voluntary plan.

Protect yourself against potential losses

Having dental benefits coverage not only helps you receive the regular care you need to stay healthy, it can also reduce your out-of-pocket costs and give you financial protection from unexpected, and often expensive, problems.

Save money by staying in network with Delta Dental PPO

With your Delta Dental PPO (Standard) plan, you may save more money and receive higher levels of coverage when visiting a Delta Dental PPO dentist. Our PPO dentists have agreed to accept lower fees as full payment for covered services. However, if you go to a dentist who doesn't participate in Delta Dental PPO, you can still save money if your dentist participates in Delta Dental Premier®. Like our PPO dentists, Delta Dental Premier dentists agree to accept reduced fees for covered services. Since the maximum allowed fees are higher for Delta Dental Premier dentists than for our PPO dentists, you may have to pay more out of pocket if you choose not to visit a Delta Dental PPO dentist.

Great coverage at a great price

Delta Dental benefits are affordably priced. Annual rates for University of Toledo students are:
