Proposals Recommended

College of Business and Innovation

New Course

ACCT 4250 Taxation of Business Entities   3 CHr
Credit Hours: 3
Delivery Mode: Web Assisted Instruction 3 hrs
Offered Fall,Spring, Summer; Every Year
Grading System: Grade Only (A-F, PR, I)
Pre-requisites: ACCT 3120, ACCT 3210
Co-requisites: None
Catalog Description: "This course covers the taxation of corporations, their shareholders, and other business entities. Topics include formation, taxation of income, and tax treatment of distributions."

PSLS 4500 International Sales Negotiation   3 CHr
Credit Hours: 3
Delivery Mode: Lecture 3 hrs
Offered Spring, Every Year
Grading System: Normal Grading
Pre-requisites: BUAD 3010
Co-requisites: None
Catalog Description: "Course focuses on the understanding of selling and negotiations across cultures."

College of Language, Literature, and Social Sciences

New Course

PSY 3740 Health Psycology   3 CHr
Credit Hours: 3
Delivery Mode: Lecture 3 hrs
Offered Fall, Spring Summer; Every Year
Grading System: Normal Grading
Pre-requisites: PSY 1010
Co-requisites: None
Catalog Description: "This course explores the behavioral and psychological factors that affect stress and illness; topics include health-compromising behaviors (e.g., smoking), stress and pain management, alternative medicine, treatment adherence, and chronic illness."

Course Modifications
LLSS 1000   Orientation   1 CHr
Change alpha code to "**YC**" (so course will be YC 1000)
Reason: This class is moving from LLSS Department of Exploratory Studies into the new Portal College - YouCollege, so the course alpha must change to reflect the correct college. The new college codes will be entered by Terry Romer, Registrar per Peg Traband (3- 5-2013)

LLSS 1120   Career and Self Evaluation   2 CHr
Change alpha code to "**YC**" (so course will be YC 1120)
Reason: This class is moving from LLSS Department of Exploratory Studies into the new Portal College - YouCollege, so the course alpha must change to reflect the correct college.

LLSS 1150   College Study Strategies and Orientation   3 CHr
Change alpha code to "**YC**" (so course will be YC 1150)
Reason: This class is moving from LLSS Department of Exploratory Studies into the new Portal College - YouCollege, so the course alpha must change to reflect the correct college.

College of Engineering

Course Modification

EECS 1010 EECS First Year Design   3 CHr
Change alpha numeric to "**EECS 1000**"
Reason: To make the course number consistent with that of other Introduction to Engineering courses.

EECS 1530 Introduction to Programming   3 CHr
Change alpha numeric to "**EECS 1500**"
Reason: To renumber the course to more appropriately reflect its place in the electrical engineering curriculum.

EECS 1560 Introduction to Object Oriented Programming   3 CHr
Change alpha numeric to "**EECS 1510**"
Reason: To renumber the course to more appropriately reflect its place in the computer science engineering curriculum.

EECS 1570 Linear Data Structures   3 CHr
Change alpha numeric to "**EECS 2500**"
Change prerequisite from "EECS 1560" to "EECS 1510"
Reason: To renumber the course to more appropriately reflect its level in the computer science and engineering curriculum and to incorporate the course number change to its prerequisite.

EECS 1580 Nonlinear Data Structures   3 CHr
Change alpha numeric to "EECS 2510"
Change prerequisite and/or co-requisite from "EECS 1570" to "EECS 2500"
Reason: To renumber the course to more appropriately reflect its level in the computer science and engineering curriculum and to incorporate the course number change to its prerequisite and co-requisite.

EECS 1590 Discrete Structures   3 CHr
Change alpha numeric to "**EECS 2520**"
Reason: To renumber the course to more appropriately reflect its level in the computer science and engineering curriculum.

EECS 3940 Co-op Experience   1 CHr
Change prerequisite from "EECS 2100" to "EECS 2000"
Reason: Prerequisite change in accordance with previously approved curriculum changes.

College: JHCEHSHS

Criminal Justice and Social Work

New Course
SOCW 3420 Social Work Research Practicum II   3 CHr
Credit Hours: 3
Delivery Mode: Lecture 3 hrs
Offered Fall, Spring, Summer; Every Year.
Grading System: Normal Grading
Pre-requisites: SOCW - 3410
Co-requisites: None
Catalog Description: "Develop student competency in use of statistical applications in applied social work research. Entails continuation and completion of community-based research project started in Research Practicum I."
Fit: This course is typically taken in the junior year for undergraduate social work majors. This course focuses on research in social work and statistical applications in order to become more evidenced based practice social workers.

SOCW 3230 Human Behavior in the Social Environment III   3 CHr
Credit Hours: 3
Delivery Mode: Lecture 3 hrs
Offered Fall, Spring, Summer; Every Year.
Grading System: Normal Grading
Pre-requisites: Must be accepted into the Social Work Program as a major or Permission of Department
Co-requisites: None
Catalog Description: "This course provides a view of behavior oflarger systems including groups, organizations, and communities through a strengths perspective, focusing on social and economic justice, and the values of the social work profession."

Fit: Course is required for social work degree, so demand is high. This course is in a sequence of courses taken in the social work program that includes human behavior in the social environment I, II, and then this course. Students are likely to be sophmores and juniors when completing Human Behavior in the Social Environment III course. This course provides the organizational and community organizing theories needed.

Course to be removed from inventory: SOCW • 3250

Course Modification

SOCW 2010 Survey of the Social Work Profession 3 CHr
Change prerequisites from "SOCW 1030 with a minimum grade of D" to "SOCW 1030 with a minimum grade of C."
Update catalog description to "A beginning study of the profession of social work, values and ethics, and diversity. The generalist framework, strengths perspective and systems theory are introduced."
Reason: Catalog description change

SOCW 3300 Social Policy and Legislation 3 CHr
Change prerequisites from "PSC 1200 for level UG with minimum grade of D-" to "PSC 1200 with a minimum grade of C."
Update catalog description to "An examination of current social welfare issues and theories and the significance to the social, economic and political factors which influence policymaking and implementation."
Reason: Catalog description change

SOCW 3240 Human Behavior in the Social Environment I 3 CHr
Change alpha numeric to "**SOCW 3210**"
Change prerequisites from "BIO 1120 for level UG with Min grade of D- and ANTH 2100 for level UG with min grade of D- and Psy 2510 for level UG with min grade of D- or Biol 1120 for level UG with min grade of D- and Anth 2800 for lvel UG with min grade of D-" to "Must be majoring and accepted into the social work program."
Update catalog description to "Theoretical social work-related approaches to understanding human behavior and related biological, psychological, social, cultural and environmental factors affecting individuals, familes and groups, from infancy to adolescence, within the context of diversity."
Reason: Catalog description change; course number change. In an effort to increase knowledge and improve testing of social work theories we are separating Human Behavior I and II with #1 focusing on theories from prenatal through adolescent and II focusing on theories from young adulthood through old age.

SOCW 3120 Social Work Interviewing and Recording 4 CHr
Change prerequisites from "SOCW 3110 with minimum grade of D" to "SOCW 3110 with minimum grade of C"
Update catalog description to "Develop skills needed for the generalist social work interview and appropriate recording techniques. Integrates computer simulation, role-play and video recording for a participatory learning experience."
Reason: Catalog description change
.

SOCW 3250 Human Behavior in the Social Environment II   3 CHr
Change prerequisites from "SOCW 3240 with minimum grade of D" to "SOCW 3210 with minimum grade of C"
Update catalog description to "Theoretical social work- related approaches to understanding human behavior and related biological, psychological, social, cultural and environmental factors affecting individual, family and group behavior, from young adulthood to old age."
Reason: Catalog description change; course number change. Improvements to Human Behavior II will allow students to learn more about social work and related theories. The previous content for Human Behavior II was moved to Human Behavior III a resurrected course.

SOCW 3110 Social Work Practice I   3 CHr
Change prerequisites from "SOCW 2210 with minimum grade of D" to "SOCW 2210 with minimum grade of C"
Update catalog description to "An overview of generalist social work practice with various system sizes. Emphasizes strengths, empowerment, social and economic justice, ethical practice and examination of self in relation to professional social work."
Reason: Catalog description change

SOCW 3090 Social Work Perspectives on Culture & Oppression   3 CHr
Update catalog description to "Focus is on vulnerable and oppressed groups who are among social welfare consumers. Cultural characteristics and group strengths, needs, priorities, and experiences within the context of social work are explored."
Reason: Catalog description change

SOCW 4010 Social Work Research Methods   3 CHr
Change title to "**Social Work Research Practicum I**"
Reason: Course name change. Content still the same. Added Research Practicum II so this course became Social Work Research Practicum I

SOCW 4020 Social Work Practice II   3 CHr
Change prerequisites from "SOCW 3110 for level UG with minimum grade of D-" to "SOCW 4120 with minimum grade of C"
Reason: Pre-req change.

SOCW 4130 Social Work Practice III   3 CHr
Change prerequisites from "SOCW 4120 for level UG with minimum grade of D-" to "SOCW 3110 and 3120 with minimum grade of C"
Update catalog description to "Provides advanced theory and skill development as a generalist social worker with individuals, families and groups. Emphasis is on a strengths and empowerment perspective focused on social and economic justice."
Reason: Pre-req change; Catalog description change. We flipped the content of Practice.

SOCW 1030 Introduction to Social Welfare   3 CHr
Change prerequisites from "SOCW 4120 for level UG with minimum grade of D-" to "SOCW 3110 and 3120 with minimum grade of C"
Update catalog description to "Introduction to the social welfare institution, its history, relation to social values, social welfare laws and programs, and the systems characteristic of service delivery. C or better required for majors."
Reason: Catalog description change

SOCW 2210 Field Experience and Lab I   3 CHr
Change prerequisites from "SOCW 2010 with a minimum grade of D" to "SOCW 2010 with minimum grade of C"
Reason: Changed pre-requisite
