Recommended approval to senate 10/24; Course title and description changes		
Recommended approval to senate 10/24; Course title and description changes		

Title & credit hour changes; Digital Imaging 2 credits to Digital Design Fundamentals 3 credits; course description expanded; added 3 new topics

Title & description change from intermediate to advanced; Title change previously approved by senate April 12, 2011 but never reflected in Banner; course content was changed at that time

Title, description & credit hour changes (2 to 3); course will be taught now only to BSPS students and the increase in content allows for focusing on developing these students more for graduate training and increasing marketability for BSPS graduates

course number change only; 1 course is a series of 6 courses, the 5th course in the series used a number that was in Banner as inactive and can't be used; all 6 courses will end in a 5 for continuity
