Pre-req changes; addition of 2 more math courses can be taken; recommend approval

Pre-req changes; due to changes in other programs	
former courses not always taken, new courses	
listed all students take and it is adequate prep for	
the course.; recommed approval	
Pre-reqs were inadvertantly removed during the	
amnesty process, putting them back in place;	
recommend approval	
credit hr reduction, changes in the graduate level	
cross-listed course required the reduction so the	
undergrad course had to change as well;	
recommend approval	
credit hr reduction, changes in the graduate level	
cross-listed course required the reduction so the	
undergrad course had to change as well;	
recommend approval	
Pre-req change, removal of PJS 1000, this will allow	
students across the university to take the course as	
a humanities for the core curriculum; recommend	
approval	

1

Pre-req change; requiring a trigonomety/algebra	
course; recommend approval	

Change in pre-req, increasing ACT score from 22 to

24; recommend approval

Pre-req changed to a co-req; recommend approval
