

New Course Proposal: Addition to the Process

Q1 New Course Proposal: State Authorization Process

Please complete the following survey regarding the new course proposed. The data collected will be used to ensure that the course is coded properly in Banner. Courses with educational (experiential) learning where students engage in activities off campus will be noted for reporting purposes in accordance with federal and state laws and regulation, e.g. State Authorization, Clery Act, Ohio rules. Educational (experiential) learning is defined as: internships; externships; co-ops; capstone courses; student teaching; clinical placements; practica; simulations; independent study; research; and/or online projects.
