

New Program Proposal: Addition to the Process

Q1 New Program Proposal: State Authorization Process

Please complete the following survey regarding the new program proposed. The data collected will be used to ensure that the program is coded properly in Banner. Programs that contain courses with educational (experiential) learning where students engage in activities off campus will be noted for reporting purposes in accordance with federal and state laws and regulation, e.g. State Authorization, Clery Act, Ohio rules. Educational (experiential) learning is defined as: internships; externships; co-ops; capstone courses; student teaching; clinical placements; practica; simulations; independent study; research; and/or online projects.
