THE UNIVERSITY OF **TOLEDO**

DATA SCIENCE MINOR

HIGHLIGHTS

- **Data scientist rated as the top job in the U.S. four years in a row**
- **Skills are in high demand**
- **First course beginning spring 2020**

NOW ENROLLING

Pair your bachelor's degree with a minor in data science for a powerful combination. You'll gain in-demand analytical skills to enhance your studies and help you stand out to employers. With hands-on experience writing computer code, designing multi-source reports and using the latest data science software, you'll be prepared to be a leader in fields such as social science, health science, business and engineering.
