Financial Responsibility, Student Bills and Payments

Each student is financially responsible for payment of fees and charges assessed to his/her student account. Student accounts are audited (reviewed) and the University has no limitation on how many semesters it may go back for additional fees. **Students receive bill notification electronically via their University of Toledo assigned e-mail address.** The University e-mail address (firstname.lastname@rockets.utoledo.edu) allows guaranteed delivery, provides quicker communication, and is consistent with other processes. **If other parties such as parents, grandparents, guardians, etc are assisting a student with payment, it is the student's responsibility to communicate the balance owed and the date it is due.** The student receives the educational services and is the account owner. Students can access their student account using the [MyUT portal](#). The portal does require the student to login using their password.

All fees are billed and payable in U.S. Dollars. Any bank fees for processing foreign payments will be charged back to the student. The University accepts certified checks, personal checks, money orders, and electronic payment of fees. Electronic payments can be made via the [MyUT portal](#). **Walk-in cashier service is no longer available.** It is recommended to convert cash to a bank check or money order when using the depository in Rocket Hall or Mulford Library. The University accepts credit card payments via a third-party processor. The processor accepts MasterCard, Discover and American Express credit card payments via "Student Self-Service." The processor assesses a convenience fee for these types of transactions. Payments will be applied to the oldest balance first. Scholarships, waiver, loans and third-party contracts will apply to designated fees per academic semester. The University can also remove financial aid funds from a student rocket card to cover a past due balance on a student account.

Fees and Policies

These fees, policies and rules are effective for the 2011-2012 academic year, unless otherwise indicated. Fees are subject to change and additional fees may be included at a later date. The University reserves the right to make changes without advance notice. All fees are approved by the Board of Trustees.

Once a student registers for courses, he/she is responsible for all fees. All fees are billed and payable in U.S. Dollars. Any bank fees for processing foreign payments will be charged back to the student. Payment of fees is due by the specified published due dates. Registration activity (adding or dropping courses) after the published due date that creates a balance due, should be paid the same day the activity occurs. Accounts must be kept current in order to maintain enrollment eligibility and receipt of official University documents and services i.e. transcripts.

Failure to De-register Fee, Effective Fall 2010

If a student elects not to attend the University of Toledo and subsequently fails to withdraw from all the courses they selected by the dates identified on the [Registrar's web page](#), the student will be assessed a non-refundable administrative fee of \$500.00 once their non-attendance has been verified and the student has initiated an administrative drop.

Fee Assessment

Ohio Law — Selective Service

Ohio male residents between the ages of 18 and 26 are required by law to register with the Selective Service. The University must verify this information. The out-of-state tuition surcharge will be charged to such residents who have not registered with the Selective Service.

Seat Deposit Policy – Law

Once you have been admitted to our program, we require payment of a \$150.00 seat deposit by April 1 to hold your seat in the class. This deposit is non-refundable, but will be credited to your first semester tuition and fees. Payment should be made by check or money order payable to: The University of Toledo College of Law and can be mailed to Law Admissions, 2801 W. Bancroft, MS 507, Toledo, OH 43606.

In addition, a \$250.00 commitment deposit, also non-refundable but credited toward your first semester tuition and fees, is due on June 15.

New Student Registration Fee (Matriculation)

A recording fee of \$30.00 is assessed to each new, transfer, and visiting student at the time of the student's first registration at the University. This is a non-refundable fee. Concurrent and co-op students covered under contract are exempt from this fee. If the student changes levels or matriculations, i.e. undergraduate to graduate, or changing from one college to another college, such as College of Business to College of Engineering, the student is subject to this fee.

Audited Courses - A student taking a course not for credit pays the same as a course taken for credit.

Schedule Adjustments (Add/Drop)

Important - All course registration and/or add transactions after the third weekday of the fall and spring semester **MUST** be done in person at the Rocket Solution Central Office, Rocket Hall, Room 1200. The time for summer schedule changes and course registration is proportional to the length of the summer part of term.

Add/Drop Period - The add/drop period is typically held through the 15th calendar day of the term during the fall and spring semesters. The add/drop period for summer part of term shall be reduced proportionately. See the Registrar's Office for the calendar of add/drop and withdrawal dates.

Add/Drop Fee Adjustments - Fall and spring add/drop fees are assessed according to the cumulative total of credit hours added and dropped during each respective refund percentage period.

Official Withdrawals

Students withdrawing from any or all courses should consult the Financial Aid Office regarding the affect on financial obligations.

By the Student — An official withdrawal (W) occurs when the student gives official notice of his/her intent to withdraw from class(es) at the University. At some time after the add/drop period and before the end of the withdrawal period, a student may find that it is in their best interest to withdraw from a particular course. When this is the case, the student should obtain a withdrawal petition from the Rocket Solution Central Office (RSC), Rocket Hall, Room 1200. Complete and return the form to the RSC Office within the specified time. The student will be given a "W" on their transcript indicating they officially stopped attending the course. Grade point average is not affected by withdrawal from class. Students should consult their college for the number of withdrawals allowed.

Withdrawal deadlines will be proportional for special classes that do not meet at the standard start/stop dates of the term, similar to add/drop deadlines. **A withdrawal may affect a student's academic progress standing. A grade of "W" may result in the loss of part or all of a student's financial aid.**

Withdrawn courses reduce a students enrolled hours, and may also reduce the student's financial obligation. Withdrawing from courses may have an adverse effect on financial aid benefits, scholarship, loan deferments, athletic eligibility, health insurance, veterans' benefits, degree requirements, or other areas.

Medical Withdrawals Student Illness — Students who wish to discuss possible drop/withdrawal from classes for an illness or injury must contact the Office of the Registrar at 419.530.4845 by the last day of semester. Further information and assistance will be provided at that time.

For additional information regarding changes in schedules, please see the [Registrar's web page](#).
