Financial Responsibility, Student Bills and Payments

Each student is financially responsible for payment of fees and charges assessed to his/her student account. Student accounts may be audited (reviewed) and the University has no limitation on how many semesters it may go back to assess additional fees. **Students receive bill notification electronically via their University of Toledo assigned e-mail address.** The University e-mail address (firstname.lastname@rockets.utoledo.edu) allows guaranteed delivery, provides quicker communication and is consistent with other processes. If other parties such as parents, grandparents, guardians, etc. are assisting a student with payment, it is the student's responsibility to communicate the balance owed and the date it is due. Students may opt to provide others accessibility to view and/or make payments to their account. **The student receives the educational services and is the account owner.** Students can access their student account using the [MyUT portal](#). The portal does require the student to log in using their password. The due date for each semester's fees is communicated on the student's account/E-statement and on the Treasurer's website under Important Dates. After the due date is reached for the semester, any fees for the semester are due immediately after they are incurred. The due date at this point will always show as the current date.

All fees are billed and payable in U.S. dollars. Any bank fees for processing foreign payments will be charged back to the student. The University accepts certified checks, personal checks, money orders and electronic payment of fees. Electronic payments can be made via the [MyUT portal](#). It is recommended to convert cash to a bank check or money order when using the depository in Rocket Hall. The University accepts credit card payments via a third-party processor. The processor accepts MasterCard, Visa, Discover and American Express. **Prepaid debit cards are not accepted.** Payments are made via the [MyUT portal](#). The processor for credit cards assesses a convenience fee for these types of transactions. International students can elect to have payments made through Peer Transfer. The link and information is available on the e-statement. Payments will be applied to the oldest balance first. **Payments received on a student's behalf from a third party will be treated as a scholarship unless the University has already established a contract with the third party.** Scholarships, waivers, loans and third-party contracts will apply to designated fees per academic semester. The University can also remove financial aid funds from a student's rocket card to cover a past due balance on a student account without notification.

Fees & Policies

All fees, policies and rules are effective for the 2016-2017 academic year. Tuition rates are assessed at the student level and residence classification. For example, graduate students taking an undergraduate course are assessed at the graduate level. The University reserves the right to make changes without advance notice. All fees are approved by the Board of Trustees.

Once a student registers for courses, he/she is responsible for all fees. Payment is due by the specified published due date. Due dates are available on the Treasurer's website and the student's e-statement. Registration activity (adding or dropping courses), after the published due date, should be paid the same day the activity occurs. Accounts must be kept current in order for the student to maintain enrollment eligibility and receive official University documents and services, i.e. transcripts.

Failure to De-Register Fee

Students that elect not to attend the University of Toledo and subsequently **fail to drop or withdraw** from all their courses by the dates identified will be assessed a **non-refundable administrative fee of \$500.00** once their non-attendance has been verified and an administrative drop is processed. The student will also be responsible to pay any fees, fines, or penalties on their student account which are related to their attendance at The University of Toledo during any given academic period. Failure to pay by the appropriate due date may result in the University filing an unfavorable report with credit bureaus or forwarding the account to the Ohio Attorney General's Office for collection.

Ohio Law — Selective Service

Ohio male residents between the ages of 18 and 26 are required by law to register with the Selective Service. The University must verify this information. The out-of-state tuition surcharge will be charged to such residents who have not registered with the Selective Service.

UT students learn to care for patients by practicing skills and procedures using simulation, as well as working as teams in a virtual hospital equipped with human patient simulators. Debriefing rooms encourage team problem-solving and discussions to improve patient care and team performance, resulting in fewer medical errors and better patient outcomes.

Health Insurance

If a student is required by their program/college to have health care coverage, the charge for student health care coverage will be placed on the student account. This coverage is required for students in the MD program and in the Colleges of Nursing, Pharmacy & Pharmaceutical Sciences, Health Sciences and for student athletes. If a student is an international student holding a J-1 visa and has a federal requirement for health care coverage, the charge for that coverage will be placed on the student account. The charge may be waived after the student provides evidence that they have other, comparable health care coverage/insurance. All other University of Toledo students may enroll voluntarily in the Student Educational Benefit Trust (SEBT)-Medical Health Services (MHS), a wholly owned subsidiary of Medical Mutual of Ohio by going to the [SEBT website](#) and providing your information and payment. Alternately, you may choose to purchase health care coverage through the [Affordable Care Act](#) federal exchanges or enroll on parent, spouse or family health care plans.

For those mandated to have health insurance, the insurance charge will be removed after your waiver request is completed *and approved*. The charge will remain on your account if you do not complete the process by the completion of the add/drop period of the standard part of term for the semester.

Any student who is not mandated to have health insurance in any given semester, but is registered for at least one credit hour at The University of Toledo, has the option of voluntarily enrolling in either Student Health Insurance Plan. However, you must pay the University insurance provider directly for your insurance premium. The fee **CANNOT** be added to your Student Account.

The new Plan begins August 11, 2015 and ends August 10, 2016. Students may enroll for fall and/or spring, plus summer, as currently available. **The waiver and enrollment deadline for fall semester is September 30; spring/summer is January 31; and summer only is July 1.**

Residence Hall Fees

Advance Housing Fees

- A \$40 non-refundable application fee is required with the housing application for each academic year.
- A \$100 housing pre-payment/deposit fee is required for new and returning students for each academic year. It is applied towards the first semester of occupancy. This fee can be refunded if cancelled by May 1. After May 1, it is non-refundable.

The Housing Contract is a legally binding agreement between you (“you” or “resident”) and The University of Toledo (“University”). Once you have submitted and signed your housing application and it is accepted by the University, **your Housing Contract is valid for the entire academic year (fall and spring semesters)** and can only be canceled in accordance with the terms and conditions of the Housing Contract. These terms and conditions outline both your responsibilities and those of the University.

All first-year students, who live outside of a 50-mile radius from UT, are required to live on campus and participate in the meal plan program. Students who reside within a 50-mile radius can choose to live on campus, but it is not required.

You can check your application status on the top of the myUT housing application. You must pay a \$100 pre-payment (deposit) and \$40 non-refundable application fee at the time of application in order to access the application. All payments must be received online via the myUT Portal. If you cannot make the payment online, contact the Office of Residence Life at 419.530.2941 or reslife@utoledo.edu.

If you no longer wish to live on campus, you will need to notify the Office of Residence Life in writing via your Rocket email to reslife@utoledo.edu or fax to 419.530.2942 by no later than 9 a.m. on the first day of classes to cancel your contract without being charged housing fees. Please note that cancellation fees may apply. If you do not plan to attend UT, prior to the first day of classes please login to the myUT portal and under the "New Student" tab select "New Student Not Planning to Attend" to complete the necessary steps to process your cancellation. If this is done by May 1, the housing deposit can be refunded. The housing application fee is non-refundable.

All fees, including but not limited to housing and meal plan charges, tuition, and other associated fees, are due and payable as required by the University. **A resident will not be permitted access to University housing or meal plan funds, if the resident's balance is not paid in full or until an approved payment plan is in place.** Should a resident default in complying with any payment dates for any of the resident's financial obligations, the University may seek any remedy in law or in equity, including specific performance of the resident's obligations or seek monetary recovery for damages. The resident agrees to pay all reasonable costs, attorney fees and expenses that are incurred by the University in enforcing this provision.

Residence Hall Housing Refunds

In order to receive 100% refund of the housing pre-payment/deposit fee, cancellation must be prior to May 1. The prepayment fee is paid online during the housing application process. Cancellations should be emailed to reslife@utoledo.edu. The housing deposit is non-refundable after May 1. Housing cancellations must *not* be directed to other University offices. Please understand that other departments cannot process housing cancellations.

A meal plan is pre-paid each semester and offers you the assurance of being able to eat without having to carry cash. All campus residents, with the exception of students residing in McComas Village, must purchase a meal plan.

Dining Dollars can be used at any venue on campus. Dining Dollars cannot be refunded or transferred into any other account. Dining dollars are nonrenewable and additional deposits cannot be made throughout the academic term to the account. Any remaining dining dollars at the end of the fall semester transfers to the spring semester. Dining dollars will not transfer to the following academic year or carry through the summer semesters.

Rocket Card Dollars (not part of the meal plan) can be used at on-campus facilities and participating off-campus places. Deposits to your Rocket Card account can be made online or at the kiosk in the Rocket Hall entryway.

Meal Plan Changes & Release - Adjustments to student meal plans purchased for the upcoming semester may be made free of charge up until the Wednesday before the beginning of each semester. After that date, a \$50 adjustment fee will be assessed for updating or canceling a meal plan. Refunds for cancelled meal plans will also be prorated from the date the meal plan becomes active.

The final day to adjust or cancel a meal plan is the final day of the Add/Drop period. Weekly meal plans will be prorated if added after the Wednesday prior to the semester beginning. If you have any questions about this adjustment policy, please contact the meal plan office at mealplan@utoledo.edu or call 419.530.2900

**For additional information regarding meal plans,
please see the [Meal Plan web page](#).**

Schedule Adjustments (Add/Drop)

Important - All course registration and/or add transactions after the fifth weekday of the fall and spring semester **MUST** be done in person at the Rocket Solution Central Office, Rocket Hall, Room 1200. The time for summer schedule changes and course registration is proportional to the length of the summer part of term.

Add/Drop Period - The add/drop period is typically through the 15th calendar day of the term during the fall and spring semesters (16 week term). The add/drop period for summer and all semesters/part of terms that are not at least sixteen weeks in length shall be reduced proportionately. See the Registrar's Office for the [calendar](#) of add/drop and withdrawal dates.

Add/Drop Fee Adjustments - Fall and spring add/drop fees are assessed according to the cumulative total of credit hours added and dropped during each respective refund percentage period.

Dropped Course Credit

Tuition, Out of State Surcharge, General and Facility Fees — Students who drop classes for any reason will receive a refund based on the schedule below. Any refund period will be extended to the next business day if the last day for the refund percentage is an official University holiday.

Dropped Course Credit/Refund - dependent on length of part of term - Part of term refers to the length of time a course is offered within the semester; e.g., all courses that are eight weeks in length are in an eight week part of term. The refund periods within these parts of term are adjusted proportionally by the number of weeks the course is offered.

Example Based on 16 Week Part of Term:

Through the first 7 calendar days of the semester	100%
8th – 14th calendar days	80%
15th calendar day	60%
16th – 21st calendar days (Withdrawal grade with credit)	60%
22nd -28th calendar days (Withdrawal grade with credit)	40%

Lab, Technology and Miscellaneous Fees

Through the 28th day of classes for the semester	100%
After the 28th calendar day of the semester	0%

Official Withdrawals

Students withdrawing from courses should consult the Financial Aid Office regarding the effect on financial obligations. Withdrawing from courses may have an adverse effect on financial aid benefits, scholarships, loan deferments, athletic eligibility, health insurance, veterans' benefits, degree requirements or other areas.

Students who decide not to attend or stop attending any or all classes for which they have registered must drop or withdraw from the course(s). Drops and withdrawals can be processed online through the myUT portal (provided there are no holds) and can also be processed at Rocket Solution Central (RSC) located in Rocket Hall, room 1200. Failure to drop or withdraw from a course for which a student has stopped attending may result in a grade of "F". Specific drop and withdrawal dates for a term are listed on the [Office of Registrar's webpage](#). Drop and withdrawal dates are prorated for flexibly scheduled courses that do not meet during the standard start/stop dates of the term.

Withdrawing from a course(s) will result in a grade of "W", which will appear on your official transcript. Once a withdrawal is processed, it cannot be rescinded. Based on the date of withdrawal, fees may or may not be adjusted. Since withdrawn courses reduce your enrolled hours, withdrawing from courses may have an adverse effect on financial aid benefits, scholarships, loan deferments, athletic eligibility, health insurance, veteran's benefits, degree requirements or other areas. If you are uncertain what effect withdrawing from the course(s) would have, it is recommended that you contact Rocket Solution Central.

Medical Withdrawals — Students who wish to discuss possible drop/withdrawal from classes for an illness or injury must contact the Office of the Registrar at 419.530.4845 by the last day of the semester. Further information and assistance will be provided at that time.

**For additional information regarding changes in schedules,
Please see the [Registrar's Web Page](#).**

Refund Policies

Issuance of Refund - All University refunds will be issued to the student as the account holder via authorized direct deposit to the bank account of the student's choice (either checking or savings) or by mail via University check. PLUS loan (parent loan) refunds are issued to the parent/borrower via University check to the address on the application. If during the Plus loan application process the parent elected for excess payment to go to the student, it will occur as described above.

Failure to maintain a current local or permanent address will result in a delay in the refunding process whether the refund is received via check or direct deposit.

Courses canceled by the University will be refunded at 100%.

Financial aid refunds may be available after financial aid processing is completed and enrollment status can be confirmed. Students enrolled in various parts of term courses may receive refunds in installments after attendance in all registered courses has been confirmed.

Title IV Federal Aid recipients who drop below half-time enrollment during the 100% refund period or withdraw completely from the University may not be entitled to a loan disbursement or a refund of loan funds.

If a Federal Direct Loan recipient drops below half-time enrollment during the expense period covered by the loan, ALL remaining disbursements will be canceled for that expense period.

The University of Toledo urges students to enroll in direct deposit which eliminates lost or stolen checks and is the *safest, fastest and most efficient method* students can use to receive their student account refund. Students can enroll and update direct deposit information via the MyUT Portal.

Index of Key Terms Used in the Refund Schedule - "*Official academic calendar*" is the time period between the first official scheduled day of classes for the semester and the last official scheduled day of classes for the semester.

"*Semester*" is the designated time period in which a course is offered such as fall, spring or summer. The length of a semester is defined as the number of weeks for which a class (including exams) is scheduled.

"*Week*" is five consecutive weekdays that includes a Monday, Tuesday, Wednesday, Thursday and Friday.

Determination of Refund/Credit - The date used to determine the eligibility for a refund shall be the date the drop/withdrawal transaction is processed. Failure to attend class, giving notice to an instructor, stopping payment on a check which was used to pay fees or similar unofficial notice to any University office shall not be considered official notice of the student's intent to drop.

Ohio Residency Qualifications

Qualifications and Procedures - A student is a resident of Ohio for tuition purposes if he/she meets the requirements, as established by the Ohio Board of Regents (enrollment is deemed as being the first day of classes) pursuant to Chapter 119. of the Ohio Revised Code, and under the authority conferred upon the Ohio Board of Regents by Section 3333.31 of the Revised Code.

The initial determination of residency shall be made by the first office/college that admits a student to the University (the Assistant Director of Office of Undergraduate Admission for undergraduate students and undergraduate students with a degree; by the Graduate Dean for graduate students; and by the Chairman of the Admissions Committee of the College of Law for law students). **The Residency Committee may reclassify the initial residency determination only after formal application and approval. Students who attend the University and change colleges or programs must file a formal application for reclassification.**

Application forms are available at [Office of the Registrar](#) under the link Ohio In-State Residency for students who wish to file for reclassification. A formal application form *must* be filed with the Residency Committee at least one month prior (30 days) to the beginning of the semester for which the reclassification is requested. (Note: Summer is considered one semester beginning with the first day of the summer term, not the first day of a particular part of term). No deferment of fees is possible because of a pending application and no retroactive reclassification will be granted.

Michigan Reciprocity Agreement (Ohio/Michigan Agreement)

Michigan and Ohio have entered into an agreement whereby The University of Toledo agrees to accept, at resident tuition rates, any resident of Monroe County (Michigan). Any student so admitted must meet all regular admission requirements of The University of Toledo, including those for the specific program for which admission was sought. Following the initial determination of residency status, any changes must be requested through formal application with the residency committee at least one month (30 days) prior to the beginning of the term for which the reclassification is requested. Eastern Michigan University agrees to accept Ohio residents at resident tuition rates.

Reciprocity requests must be made by the end of the registration period for the semester reclassification is sought. Applicants must submit proof of Monroe County (Michigan) residency (lease or mortgage for the past twelve consecutive months) and Michigan driver's license or voter registration for the immediate past 12-month period. Michigan reciprocity is not granted on a retroactive basis. Additional information regarding applications are available at the [Office of Registrar's webpage](#). Applications are due prior to the beginning of the term for which reclassification is requested.

Out of State Surcharge Awards Offered by the University of Toledo

The University of Toledo does offer the following out-of-state awards to students who meet specific qualifications:

Undergraduate Award –The Undergraduate Admissions and Financial Aid Office oversee awards that can help offset the out-of-state surcharge. See [Undergraduate Admissions](#) for further information.

Contact the admitting office (Graduate or Law) regarding these awards.

Online Learning – Students who reside outside of the state of Ohio and enrolled in an online program may be eligible for the UT Online Out-of-State Scholarship. The scholarship amount is equal to the out-of-state surcharge. This scholarship is applied to the student's account when the tuition and fee bill is issued.
