Name of Policy:	Radiation Protection of the Public	
Policy Number:	3364-102-09	THE UNIVERSITY OF TOLEDO
Department:	Cardiovascular Lab	MEDICAL CENTER
Approving Officer:	Chief Operating Officer- UTMC	
Responsible Agent:	Director, Cardiovascular Services	
Scope:	University of Toledo Medical Center	Effective Date: 3/1/2022 Initial Effective Date: 5/20/2021
New policy Major revis		nical revision of existing policy

(A) Policy Statement

Facilities and procedures will be in place for the radiation protection of members of the public who are visitors to The University of Toledo Medical Center.

(B) Purpose of Policy

To protect visitors from undue exposure to ionizing radiation.

(C) Procedure

- 1. Areas where ionizing radiation may be present are restricted to use by employees and others necessary to providing care to patients.
- 2. It is recommended but not required for restricted areas to be identified with signs or warning lights.
- 3. A radiation survey is performed for each new installation to verify that shielding is adequate.
