## (A) Policy Statement

Major revision of existing policy

All damaged tableware is immediately discarded in compliance with established sanitation and safety standards.

Reaffirmation of existing policy

## (B) Purpose of Policy

To ensure the inspection and disposal of chipped, cracked or crazed china and glassware.

## (C) Procedure

All personnel are responsible for monitoring the appearance of dishware, flatware and glassware for damage.

Consider any tableware found with chips, cracks or crazing to be damaged and discard them immediately.

China and glassware shall be disposed of in a separate container for glass and china, using a special box that has been tripled bagged and marked for broken glass.

Report all discarded materials to your immediate supervisor.
